

## Developing and Strengthening Your Academic Radiology Research Career

*A Twelve Week Series for Faculty, starting May 6, 2020*

Dear Faculty,

We hope that you are weathering the crisis safely and thriving while sheltered in place. As we rebound from surge planning and pivot to the department's post-COVID era, we are pleased to announce a new professional development opportunity especially for junior faculty:

### *Developing and Strengthening Your Academic Radiology Research Career*

If you plan to start a new research program or want to improve your existing research programs, please join us for the first of 12 Zoom sessions on Wednesday, May 6 at 8-9 a.m. We'll meet twice monthly - Wednesdays at 8 a.m. The curriculum and presenters are listed below. Our sessions will be virtual in May. Later sessions may be in-person depending on the status of COVID-19. Each session will include Q&A and a handout for registrants. All of the sessions will be recorded and posted on our website [here](#) as a resource for later use.

Sincerely,

Susan Wall, MD  
Sharmila Majumdar, PhD  
Christopher Hess, MD, PhD

---
